## 90<sup>TH</sup> ANNIVERSARY

- Whereas,** It is tradition in the City of Buffalo to pay tribute to longstanding and respected community organizations for their continued contributions to the health and wellness of our great city; and
- Whereas,** Today, we celebrate the NYS Women, Inc. Buffalo Niagara Chapter on its 90<sup>th</sup> anniversary; and
- Whereas,** The NYS Women, Inc Buffalo Niagara Chapter is comprised of women of all ages representing a broad spectrum of employment fields. Since their charter in 1934, they have promoted full participation, equality and economic self-sufficiency for all working women; and
- Whereas,** This organization fosters the success of women in the workforce throughout Western New York, offering a unique network for women's empowerment through: insight into the balance of work and family, the opportunity to build leadership capability; a forum to develop personal and professional skills in order to further their careers; and the opportunity to build connections; and
- Whereas,** The NYS Women, Inc. Buffalo Niagara Chapter is also proud to showcase successful local women who have given back to their community. "Women In Leadership" honorees are established women business owners or professional/working women who have exhibited leadership, enterprise, and excellence in their business or profession and give back to the people and places around them. The goal of the program is to recognize women who have succeeded both in the business and charitable arenas and help inspire others to follow in their path.
